

DATA SHEET

ELITE CLEAN

Carbon Elite Clean is a daily cleaner that assists in the removal of stains, dirt, grease, and grime from the surface of polished concrete, terrazzo, natural stone, tile floor surfaces and is an integral part of the Carbon EliteFloor Maintenance System. Carbon Elite Clean is simple to use and has a neutral pH with no ammonia, alcohol, or acid.

KEY BENEFITS

- Easily assists in the removal of dirt and other surface soils.
- Leaves no residue that will dull or damage a floor or finish.
- Neutral pH cleaner.
- Highly Concentrated Formula
- Designed for Polished Concrete & Terrazzo.

APPLICATION (Polished Concrete)

BEFORE APPLICATION, ALWAYS DO A SMALL TEST SAMPLE IN A LESS-VISIBLE AREA TO BE SURE THERE ARE NO VARIABLES OR CONTAMINANTS IN THE SUBSTRATE THAT MAY BE INCOMPATIBLE WITH THIS PRODUCT.

Sweep or vacuum to remove loose materials from the surface to be cleaned.

Dilute at a ratio between 20mL - 60ml (0.7 oz - 2 oz) to 10L (2.6 gallons) of fresh water (higher concentration for heavier soiled floors).

Manual Mopping: Apply diluted product with mop evenly to surface making sure not to leave puddles and allow to dry.

Steam Clean: Apply diluted formula to water reservoir of steam mop. Evenly mop the surface and allow to dry.

Commercial Floor Scrubbers: Apply diluted formula directly to solution tank. Perform usual floor scrubbing routine, please avoid using aggressive scrubbing pads on polished concrete.

*Note: This recommended ratio is a guide and concentration can be altered dependant on the condition and cleaning requirement of the substrate.

CLEAN UP

Clean tools and equipment with clean water.

MAINTENANCE

Daily cleaning with Carbon Elite Clean and periodic deep cleaning with Elite Clean - ULTRA is recommended to prolong the life of your surface. Consult a Carbon Diamond Abrasives Representative for further information.

For commercial maintenance programs please download maintenance schedule from www.carbonelitefloor.com.au

SAFETY/HEALTH INFORMATION

KEEP OUT OF REACH OF CHILDREN.

Do not drink. If swallowed, do not induce vomiting; drink two glasses of water and call a physician. Wear goggles and gloves. If splashed in eyes, rinse eyes immediately with clean water and call a physician if irritation persists.

CAUTION: Surfaces wet with Carbon Elite Clean may be slippery. Additional precautions, safety information and first aid treatments are contained in the Safety Data Sheet.

LIMITATIONS

May not remove some embedded stains. Never use aggressive brushes or pads on polished concrete. Make certain the most current versions of the Carbon Elite Clean Product Data Sheet and SDS are being used. Proper application is the responsibility of the user.
